

**SAMBURU COUNTY ASSEMBLY**

**THE HANSARD**

**Wednesday, October 30<sup>th</sup>, 2019**

**The County Assembly met at the County Assembly chambers at 9.30 a.m.**

*(The Speaker, Samburu County Assembly (Mr. Lempere Solomon) in the chair)*

**PRAYERS**

**COMMUNICATION FROM THE CHAIR**

**The Speaker,** (Mr. Lempere Solomon): I wish to make a brief Communication. As we all know, the County has been going through some rough times for one or so weeks. Last week, we had deliberations with those who were in Nanyuki and we agree to call our Deputy Governor before the General Oversight Committee but because of the politics that got into the whole thing and, as an Assembly, we agreed to tone it down so that we do not fuel it further and see how the County can engage and how best we can move forward.

We know where we are and we have been complaining about service delivery and about everything stalling and it is only fair that the plans for this year start off and see how, as an Assembly, we can intervene in a way that does not fuel the situation further. Therefore, that is why we decided to suspend the meeting of the General Oversight so that we give it time, as time is also a healer.

Another issue is that we have three or four Bills that went for public participation and we expect the Committees to report back as soon as possible and ensure that we have those Bills ready.

Thank you.

The time being 10 minutes past ten O'clock, and there being no other business, this Assembly stands adjourned until Wednesday, 30<sup>th</sup> October, 2019 at 2:30 pm.
