

**COUNTY ASSEMBLY OF SAMBURU**

***THE HANSARD***

**Thursday, 27<sup>th</sup> July, 2023**

**The Assembly met at the County Assembly Chambers at 2:30 p.m.**

***The Speaker, (Mr. Lenamarle Stephen), in the Chair***

**PRAYER**

## **STATEMENTS**

**MCA Maralal Ward**, (Hon. Loloju Joseph): Thank you Mr. Speaker. As per the statements as before the table, I kindly request for postponement and I'm sure the Hon. Members do see that we have some discrepancies, so I request we postpone this statement till next week on Thursday 2:30 pm.

**MCA El'barta Ward**, (Hon. Leitoro Jeremiah): Thank you Mr. Speaker. Mr. Speaker, the Chair of the Committee of Education Hon. Speaker, is not giving us a substantive reason as to why he wants to postpone the reading of the Report from the Executive. Because the issue here is he just has to come and read the response from the Executive so that we can be able to respond to the statement that has been answered by the Executive. So the statement is from the Executive and suppose to read whatever that has been responded by the Executive because I don't think it's the problem of the Committee, so they don't have to interrogate the Report before actually giving us the response.

Hon. Speaker I beg the Hon. Chair actually Hon. Speaker, I think he is the Member of the Committee and perhaps may be because the Chair is not around and the Vice chair is not around, he is the only Member representing the Committee. I think that is the reason as to why the Member of the Committee is not comfortable on reading the statement Hon. Speaker but he is equal to the task Hon. Speaker, he can as well stand and read whatever response that the Executive has written. Thank you Hon. Speaker.

**MCA Maralal Ward**, (Hon. Loloju Joseph): Thank Mr. Speaker sir and thank you Hon. Member for Baragoi AKA Leitoro. But I want to bring this attention to Hon. Leitoro. that yes its true My Vice Chair is not around and I'm the one of the Committee Members and I'm sure I'm up to the task but one thing the Member should notice is I requested for this postponement because I have seen one thing and that one stands out to me in my own Ward and I believe in each and every Ward and this particular monster is discrepancies. Hon. Leitoro I want you to go back and go and call all the Schools and verify...

**The Speaker**, (Mr. Lenamarle Stephen): Point of order from Hon. Leleruk

**MCA Suguta Marmar Ward**, (Hon. Leleruk James): I stand to be guided Mr. Speaker.

**MCA Maralal Ward**, (Hon. Loloju Joseph): He has already messed from the word go and that's why I want through please, he has asked for a point of order, may I know it's point of order number which so that, what number? Which number are you quoting?

**The Speaker**, (Mr. Lenamarle Stephen): Okay order.

**MCA Suguta Marmar Ward**, (Hon. Leleruk James): Hon. Speaker you know in a normal circumstance; the Member should first table the Report so that if there any issue because I don't see the reason we are discussing a Report that has not been tabled in a House then that's when we come and vet them and see a reason why we want to postpone it or not. So that's my point. Report must be tabled first then seen other issues.

**Specially Elected MCA**, (Hon. Lenamatiyo Silapia): Thank you Hon. Speaker, I also stand to be guided by the rules of this House, the statement I requested is in this order paper so I don't see the need of referring it to other day. I think it's important that we discuss we go through it and discuss if there is any issue that we are not satisfy on it then we refer back the response to the Education Committee so that they can go back to the Department and sort it well. Thank you Hon. Speaker.

**MCA Maralal Ward**, (Hon. Loloju Joseph): Thank you Mr. Speaker sir, you see I stand to be guided here and protected. There is a lot of point orders coming when I'm not even finished what I'm reading or what I'm trying to substantiate and if you're not satisfied then I think satisfied from my point number two is and number two is Mr. Speaker sir and Hon. House we did not have the quorum to discuss this and couple with that, that's why I asked for postponement. Thank you Mr. Speaker.

**The Speaker**, (Mr. Lenamarle Stephen): Hon. Members I direct the Committee on Education and Vocational Training on 3<sup>rd</sup> August, 2023. At 2:30 pm to table the response for statement for statement No.011/2023 regarding distribution of ECDE centres during term two 2023 across the County.
